**HPC**                    **Public Participation.**  
**15/16/138**            There were no members of the public present.  
**RESOLVED:** that the information be NOTED.

**HPC**                    **Prohibition of Driving Order: Shotton Road, Horden**  
**15/16/139**            Members considered the consultation document previously circulated from Durham County Council concerning the order.

Much discussion ensued with regard to the implications of the order with respect to curbing antisocial behavior in terms of off road bikes and the impact it would have on the residents of Shotton Road; and in particular the two residences at the top of the Shotton Road bank ("Ellisons Bank").

**RESOLVED:** that

- (i) Durham County Council consider the placement of double yellow lines outside of the residences of Fair View and Avela in order to mitigate nuisance parking as a result of the order.
- (ii) Durham County Council consider the placement of appropriate signage which denotes that access to Shotton Road is for residents only.
